The Aircraft Bluebook is designed and developed as a service for the purchasers thereof to assist them in arriving at the fair market value of aircraft listed herein, but is intended only as a guide and is not to be considered to reflect all factors involved in the appraisal process of any particular aircraft. All prices in the Digest are considered a representative average.

Drawings are for general reference only and may not incorporate minor differences between year models.

The information herein is prepared from many sources, is edited, and believed to be correct. The publishers do not warrant the accuracy of the source material and assume no responsibility to any person or persons in connection with the use of this guide. In case of error or omission, the liability of the company, if any, is limited and many not, in any event, exceed the amount paid for the service during the period covered by the guide in which the error or omission occurred.
